

## Fire Risk Assessment Services

360 Assurance is able to offer expert and comprehensive Fire Risk Assessment Services, conducted by a highly qualified and experienced Head of Fire Protection.

Richard Melanaphy has recently retired from a 32 year career in the Fire and Rescue Service, with 10 years serving as Head of Fire Protection/Head of Emergency Planning, Business Continuity and Operational Assurance for Nottinghamshire Fire and Rescue Service, working in partnership with the NHS.

### Areas of Expertise

- Fire risk assessment
- Fire risk assessor training
- Fire warden training
- Fire evacuation tests/exercises
- Production of fire safety policies and procedures
- Fire safety audit
- Review of organisational fire safety audits
- Independent incident investigation

Richard became a member of the Institution of Fire Engineers in 1990. Since then he has completed numerous training, qualifications and accreditations, the most relevant of which for this service include:

- Fire Protection & Audit (Fire Service College) 1998
- Hazardous Materials & Environmental Protection Course (Fire Service College) 2006 (revalidating in 2010)
- Training, Assessment, Quality Assurance Practitioner (TAQA Assessor) (EDEXCEL) 2013
- BTEC Level 7 Investigative Practice 2013
- Internal Quality Assurance Practitioner (IQAP Verifier) (EDEXCEL) 2015

### Offer

We can provide one off fire risk assessments or tailor a package to meet your needs and provide assurance that the risk of fire is mitigated appropriately to keep your patients, visitors, staff, contractors and volunteers safe.

This service can form part of a package with other services offered by 360 Assurance:

- Health & Safety Risk Assessment Services
- Emergency Planning & Business Continuity
- Security Management Services
