

Fire Risk Assessment Services

360 Assurance is able to offer expert and comprehensive Fire Risk Assessment Services, conducted by a highly qualified and experienced Fire Protection Inspecting Officer.

Matthew Walkden (MIFireE) has recently retired from a 27 year career in the Fire and Rescue Service, with 11 years serving as a qualified fire protection inspecting officer. Main areas of responsibilities were the lead officer on High Rise Residential Properties, management of a primary authority scheme (PAS), Training Leicestershire Fire & Rescue service staff in the knowledge and understanding of the Regulatory Reform (Fire Safety) Order 2005 and forming a close working relationship with the NHS in complying with fire safety.

Areas of Expertise

- Fire risk assessment
- Guidance in Fire Risk Assessing
- Fire warden training
- Fire evacuation tests/exercises
- Production of fire safety policies and procedures
- Management of Fire Safety Responsibilities.
- Review of organisational fire safety procedures, fire safety audits and fire risk assessments.

Matthew became a member of the Institution of Fire Engineers in 2015. In addition to this he has completed numerous training, qualifications and accreditations, the most relevant of which for this service includes:

- IQ Level 4 Diploma in Fire Safety (Fire Inspectors) (QCF)
- SRF BTEC Level 7 Advanced Professional Certificate (Masters Level) in Legal Skills in Investigation.
- Fire Engineering Principles (XACT).
- Business Communication & Engagement.
- Fire Safety in Healthcare Premises.
- Incident command (Fire) and Hazmat trained.

Offer

We can provide one off fire risk assessments or tailor a package to meet your needs and provide assurance that the risk of fire is mitigated appropriately to keep your patients, visitors, staff, contractors and volunteers safe.

This service can form part of a package with other services offered by 360 Assurance:

- Health & Safety Risk Assessment Services
- Emergency Planning & Business Continuity
- Security Management Services
