

Jasper Cain

Qualifications/Training: BA (Hons); ACCA; Certified Arbutus Analytics Professional

Degree: BA(Hons) Mathematics and Statistics

Professional Body: ACCA

Years in NHS: 5

Years in Internal Audit: 5

Over the past five years in audit Jasper has worked with data from a range of NHS systems and processes to measure performance, identify improvements and highlight weaknesses in controls.

He is proficient in Excel, Arbutus Analyzer and IDEA, and has experience communicating complex analysis to a range of audiences through formal reports, presentations, and exec-level meetings.
